Also, as a reminder, the Ohio BMV offers a driver license reinstatement fee installment plan to individuals who have met all reinstatement requirements except for paying reinstatement fees. The plan allows individuals owing \$150 or more in reinstatement fees to become valid or eligible to retest for a driver license by paying a minimum of \$50.00 every 30 days for as long as it takes to pay the reinstatement fees.

The Ohio BMV is proud to offer a wide variety of options to help motorists get their licenses reinstated and will make every effort to restore driving privileges in a timely manner. Please note that requirements differ depending on the type of suspension.
