**Fairfield County Employees Support United Way
With Successful Silent Auction**

During their lunch hours on September 18, 2014, Fairfield County employees gathered to participate in the 2nd Annual Silent Auction/Cookout benefitting The United Way of Fairfield County. This very successful endeavor was a joint-effort between the staff members located in the Courthouse, the Hall of Justice and the Clerk of Courts title offices.

Fairfield County collected a GRAND TOTAL of \$2,000.00 from this one-day Silent Auction, with all the proceeds remaining right here in Fairfield County through the various charitable organizations touched by all the United Way programs. Auction items included cash donations and many amazing pieces donated by staff members throughout the County, such as: O.S.U. Collegiate-licensed products; a variety of decorative theme-baskets; fragrance candles; beautiful picture frames; inviting cookbooks; attractive purses; pretty shoes; lovely figurines; elegant hand- towels; etc. The Clerk of Courts office was responsible for organizing this year's auction.

The Commissioners and Clerk of Courts Branden Meyer expressed their sincere appreciation to everyone involved in the day's events and noted the caring-spirit of the extremely generous employees within Fairfield County.
